# About FSC Cincinnati

The Figure Skating Club of Cincinnati is the oldest figure skating club in Cincinnati. We were founded in 1949, and became a member of the US Figure Skating Association in 1951. We are a non-profit organization run by volunteers who love the sport! We offer club ice sessions, and host two competitions each year. We host test sessions for skaters who wish to progress through the US Figure Skating testing program. We also sponsor educational programs such as "Skate Talk 101" for parents and skaters new to the sport, as well as clinics for coaches and judges.

## Come skate with us!

Prospective members are welcome to skate on one of our club sessions as a guest of one of our members. After the first guest session, prospective members may choose to skate as a guest with the payment of a walk-on fee up to a maximum of three times.
